Language Program.

According to the information we got from the internet, we found that your school has a great reputation in Thailand for Japanese Language education and helping students successfully studying abroad in Japan.

Hence, I'm writing to enquire about whether there is an opportunity to cooperate with your school and introduce/recommend our new BEKKA Tokyo Campus to your students who are interested in studying or getting employed in Japan?

Please check the attached document for the brochure and application guide of our school. If there is any chance to get in touch, please do not hesitate to contact us.

Thank you very much for your time, and looking forward to hearing back from you.

Best, regards
