① Dear Respected Partners,

Greetings from IMCC at USM!

We would like to inform you about the upcoming exchange semester 2021 at Universiti Sains Malaysia. USM is now recruiting exchange students for Fall Semester 2021 (October admission).

The COVID-19 pandemic is still ongoing since last year but gladly the vaccine has been developed and given to the citizens of the world through stages. Although the border of Malaysia is still closed for the time being, there is no confirmation yet from our immigration office that it will remain close until the fall semester. With a little faith and hope, we would like to inform you that we will be organising our next Fall Semester 2021 physically (ON-SITE) until further notice.

- The Orientation Week will be held physically – Students will receive further information via e-mail before the start of the semester
- Classes and courses evaluation will be done physically or via blended learning
- IMCC will be offering some cultural programmes or events by USM students as a part of student interactive sessions
- Students will receive an official academic semester transcript from USM upon completion of the programme
- The list of courses offered can be found here : <http://bit.ly/USMListOfCourses>
