Subject: <Announcement> Online Consultation Service for Study at Kanazawa University

Dear Partner Universities,

Thank you so much for your cooperation always.

We had opened "Online Consultation Service for the Study at Kanazawa University" and could meet and talk with prospective students. We appreciate your great support.

This is to inform you that we start to accept the registration for consultations in December again. This time, we will arrange consultation sessions with our international students who are the same nationality as the applicants as much as possible so that the applicants can talk in their native languages (or English).

Anyone who are interested in the study at Kanazawa University can join this session to solve their questions or concerns about study abroad. We offer a session to consult with our students such as Chinese, Korean, Taiwanese, Indonesian, Vietnamese, Brazilian, Kenyan, Mauritanian, British etc. for 20 minutes by Zoom meeting. The details are as follows.

We would appreciate it greatly if you could announce this information to your students or the person in charge of your esteemed university.

<How to make a reservation>

1. Advance booking is required to use this service no later than 3 business days prior to the date of the session.
