TESTIMONIALS

“ ”

This course was really helpful for me. It made me change my point of view, reflect about my leadership style and how to deal with many different cultures, opinions and situations. I was really happy to be able to experience a little bit of the whole process and to learn how to be an actual global leader.

This course has opened new opportunities and made me think of new paths to go into. I know this is just the beginning of my career and development. I'm forever grateful for this opportunity and glad to have had such qualified and passionate mentors.

I fell in love so deeply with Victoria, Canada. I visited many gardens, beautiful forests, wildlife, the nicest people I've ever met, a downtown full of life. Everything I saw made me feel in peace. I can say that in so little time, I felt Victoria was like my home, and not just Victoria: RRU made that happen!
