NU FOUNTAIN to Feature at ERASMUS+ Project Cluster Meeting and Dissemination in Thailand

The NU FOUNTAIN team is set to participate in the upcoming event, the "ERASMUS+ Capacity Building in Higher Education (CBHE): Cluster Meeting," scheduled for October 2nd to 3rd, 2023, at Kasetsart University in Bangkok, Thailand. This event is poised to create a dynamic platform for the exchange of innovative ideas, collaborative initiatives, and the dissemination of cutting-edge advancements in the realm of higher education.

The key activities scheduled for this event are as follows:

October 2, 2023: Cluster Meeting of ERASMUS+ CBHE Projects in Thailand and the SEA Region

- A presentation by Mr. Emanuel GERTH (Project Officer – European Commission) outlining the overarching purpose and opportunities.
- A panel discussion centered on "Best Practices and Lessons Learned from CBHE in Thailand," exploring prospects for future collaborations.
- A presentation highlighting the NU FOUNTAIN Project and insights from ERASMUS+ Partners.

October 3, 2023: ERASMUS+ Roadshow

The event offers valuable opportunities for the NU FOUNTAIN Project:

- (1) Knowledge Exchange and Collaboration: Engage in substantive discussions with industry experts, educators, and researchers to delve into the profound impact and advancements in higher education resulting from ERASMUS+ CBHE projects.
- (2) Interactive Project Presentations: Gain firsthand insights into cutting-edge initiatives through interactive presentations by distinguished representatives of CBHE projects. Obtain a deep understanding of project objectives, outcomes, and their contributions to enhancing the educational landscape.
- (3) Live Project Exhibitions: Immerse yourself in live exhibitions showcasing a diverse array of CBHE projects. Explore the innovative solutions and advancements reshaping the education sector.
- (4) Networking and Partnership Opportunities: Connect with professionals and experts representing various institutions. Utilize the networking sessions to cultivate potential collaborations and partnerships, fostering a community committed to advancing education.

In summary, these activities have been meticulously designed to offer valuable insights and promote collaboration within the ERASMUS+ community.
